

Special Limited Time Launch Promotion:

UPS / Varsity Logistics Program Promo for All SAP Customers

Dear SAP customer:

As a part of a new Strategic Alliance partnership between UPS, Varsity Logistics, and SAP, Varsity is offering a promotion to all SAP customers who migrate to the Varsity Shipsoft shipping solution.

Migrate to 2.7 of Shipsoft before 10/31/10 and you will qualify for this special limited time promotion as part of the launch of this partnership.

Why UPS, SAP and Varsity:

Varsity's Shipsoft solution is interfaced to and supports both the SAP R3 and SAP all in one products sets.

Varsity runs natively on the IBM iSeries enabling SAP users to leverage their server investment.

Varsity Logistics is the only iSeries Strategic Alliance partner of UPS for software.

Varsity's enterprise solution, Shipsoft, can address the shipping needs of companies shipping from 100 pieces to 100,000 pieces per day.

ACT NOW! This promotion will only be available until 10/31/2010.

For more information contact Diane Pham at 800-438-7447 x 1 or dpham@varsitynet.com.

New Launch Promotion includes:

20% off all Shipsoft license fees.

3% discount on 1st year maint.

Unlimited user license.

Interface source code included.

No mandatory renewal fees.

One time license fee.

Free UPS setup support.

UPS carrier kit included.

SAP interface included.
